

Old Conways From Overseas

From 1889 to 1973 The Cadet listed the names of each term's new chums and where they had joined from although between 1900 and 1949 lists were not always published. I have compiled the following analysis of where we all joined from:

Antigua 1	Honduras 1	Norway 1
Argentina 2	Hong Kong 11	Nyasaland 2
Australia 7	India 12	Pakistan 5
Austria 2	Iran (Persia) 1	Persian Gulf 1
Barbados 3	Ireland 10	Peru 1
Belgium 2	Isle of Man 7	Rhodesia 16
Bermuda 13	Jamaica 1	Singapore 4
Brazil 1	Japan 1	South Africa 9
British Guiana 1	Jersey 9	Spain 3
Burma 1	Kenya 71	Sudan 1
Canada 8	Kuwait 1	Tanganyika 5
Chile 2	Liberia 1	Tasmania 1
China 2	Libya 1	Trinidad & Tobago 4
Cyprus 3	Malaya 7	Uganda 11
Eire 10	Mallorca 1	USA 3
Egypt 3	Malta 2	Zambia 5
Germany 5	New Zealand 3	
Guernsey 3	Nigeria 1	

While the list is interesting it is not an absolute indication of "nationality" e.g. I joined from Kenya but was British and some boys joining from boarding schools in the UK had been born overseas or had parents who lived abroad.
